Display the program in your local time and ensure you don't miss any sessions

Haven't yet registered? **It's not too late!**

Click here to join us!

Welcome from the Congress Chair and TTS President

Mehmet Haberal

MD, FACS (Hon),
FICS (Hon), FASA (Hon),
Hon FRCS (Glasg)

It is with great pleasure that we welcome you to the 28th International Congress of The Transplantation Society (TTS 2020 Virtual)!

TTS is the only global transplantation society that encompasses all of the disciplines in the field of transplantation, and this congress will be an ideal opportunity to share our knowledge and learn from each other so as to maintain standards and expand the field of transplantation together.

Our virtual platform will allow you to learn, discuss and network in your own time zone around the world, bringing you latest techniques and valuable academic research findings in the field of transplantation.

We hope you will enjoy TTS 2020 Virtual and invite you to be an active participant to make the most out of your virtual experience! **See you online!**

◆ Pre-Congress Sessions Highlights

Visit the **Program Tab** to check the start of the sessions in your own time zone.

In focus Congress features

Oral abstract sessions

All presentations for the Oral Abstract Sessions have been pre-released and are available for viewing through the WebApp. The time allocated in the program for the Oral Abstract Sessions are dedicated to live Q&A and discussion with the authors. If you are interested in attending these interactive sessions ensure to view the presentations in advance to take part in the discussion.

Networking Rooms

We know that half the reason people attend congresses is to network! Don't miss the opportunity to take part in these informal online gatherings, covering multiple topics and interests.

Check out the full schedule!

Please be reminded that in order to participate in the Virtual Networking and Thematic Discussion rooms, you will need to install the Zoom plugin/application

(no need if Zoom is already installed).

Delegates Connect

Did you know that through the Attendee tab you can search for delegates with similar interests and connect with them via email? This is a great way to make new connections. Be sure to update your profile so other delegates can also connect with you!

Start making new connections!

Virtual Photo Booth

Take your selfie at the Photo Booth and keep a memory of your attendance at the TTS 2020 Virtual Congress! You can customize your background, add special stickers or simply smile!

Strike a pose!

Industry Satellite Symposia

Click here to see the schedule and details of the Industry Satellite Symposia taking place during the Congress. These presentations are a unique opportunity to get first-hand insights into latest developments and studies by our industry sponsors.

Meet us at the TTS Booth

Visit the TTS Booth to find out how your membership can help you advance in the transplantation field, share your feedback and have some fun at our games corner!
